Dear Mr. Patra,

We are happy to note that STAT Trade Times is organizing an International Conference and Exhibition on Air Cargo titled "AIR CARGO IN AN EMERGING MARKET" IN Mumbai from 16th to 18th November 2006.

It is appropriate to have this Conference and Exhibition when the Air Cargo business is showing upward swing and the overall export/import from India is approximately 20% higher than the previous year. It is expected that this trend will continue and I am therefore of opinion that it would benefit the Partners in the Air Cargo Industry immensely if they participate in your international conference and exhibition.

On behalf of the Air Cargo Agents Association of India and on my behalf wish the International Conference and Exhibition, a grand Success and assure you all co-operation from ACAAI.

With Best Regards,

Vijay Kondath
President-ACAII
