MESSAGE

I am glad to know that the STAT TIMES is organizing its 3rd biennial international Conference and Expo AIR CARGO INDIA 2010 at Mumbai from 2nd to 4th February, 2010.

With the recent global economic crisis now hopefully behind us, the outlook for the future looks brighter with several indices showing marked improvements. The theme of the conference, namely 'Air Cargo in 2010, the Beginning of Recovery' reflects the optimism with which the industry perceives the air cargo business in 2010.

On this occasion I wish the participants a fruitful exchange of ideas to give an impetus to the air cargo business and wish the Conference a grand success.
