No. AAI/CHMN/2017

December 21, 2017

It is heartening to know that **AIR CARGO INDIA 2018**, the 7th edition of the International Biennial Air Cargo Event is being organized by The STAT Trade Times from 20th -22nd February, 2018 in Mumbai.

At a time when Indian Aviation Sector is on high growth trajectory and is aiming to become the largest aviation market by 2030, I am sure, the expositions like these, would open new avenues for collaboration and integration of Air Cargo Industry.

Airports Authority of India has always been in the forefront and pioneer in providing state of the art cargo infrastructure and advanced cargo facilities to facilitate the EXIM trade at its airports and would continue to be in the service of the nation fostering economic development.

I am sure that Air Cargo India 2018 would go a long way to create the required synergy amongst all stakeholders to jointly work for development of the Cargo infrastructure and adoption of the best practices in the air cargo logistics supply chain, for the overall growth of the nation.

I extend my warm greetings and facilitations to M/s STAT TRADE TIMES and wish the event a grand success.

(Dr. Guruprasad Mohapatra)
