## MESSAGE

We are pleased to learn that The Stat Trade Times has organised the 7<sup>th</sup> edition of International Biennial AIR CARGO INDIA 2018.

There is significant untapped potential for air cargo in India. The logistics sector in India is growing above the GDP growth rate. The growth in e-commerce compounded by growing trend of time defined delivery and overnight delivery will create a greater demand for air cargo logistics.

On behalf of IFCBA, the global community of Customs Brokers, I am pleased to extend the best wishes for the success of the event.

With Best Regards

Shantanu Bhadkamkar  
Chairman
