

MESSAGE

We are pleased to learn that The Stat Trade Times has organised the 7th edition of International Biennial AIR CARGO INDIA 2018.

Movement of goods by air cargo plays a vital role in Global Supply Chain. The air cargo industry has matured and has established an independent entity both as mode of transport of goods and its independent existence from passenger air logistics.

MACCIA represents all segments of economy and therefore realise the great importance of air cargo industry for development of agriculture and agro products, manufacturing, healthcare sector and other segments of economy.

The chamber is pleased to send warm greetings and extends best wishes for the success of "AIR CARGO INDIA 2018".

With Warm Regards

Shantanu Bhadkamkar
President
